CHAIRMAN'S FOREWORD

Tā Selwyn Parata

I ia rohe, i ia rohe puta noa, e kite ana tātau i ngā umanga Māori e whakaata nei i ngā taonga hou, i te auahatanga me te whakahī o te iwi ki te ahurea. Mai i ngā toi me ngā mahi ā-ringa taketake ki ngā pūeru Māori o nāianei, mai i ngā kaihoko kai ki te hunga mahi rongoā Māori, ko ēnei kaikōkiri pakihi katoa kei te hanga umanga whai hua, i takea mai i te ātaahua o ā tātau taonga tuku iho.

Tēnā tātau rau Rangatira mā,
Tēnā hoki tātau i ō tātau mate huhua o te wā, o te tau, kua taha ake nei
Nō reira koutou ngā mate hoatu, haere, huihui atu ki ō ihi, ki ō wehi, ki ō tapu,
ki Matangireia, okioki atu ki te āio o te rangi.
Tātau ngā mahuetanga iho, kia ora rā.

Ahakoa te kaupapa kei mua i te aroaro, ko te tohungatanga o te kapahaka me ōna tikanga, he kaupapa anō kua hua mai, hei tūāpapa, hei takapau mō te tini, mō te mano o te ao Māori; ko te whakatipu rawa, hei whakarewa i te Ōhanga Māori, ki taumata kē.

I āku haerenga puta noa i te motu kia tae atu ki ngā whakataetae ā-rohe, ko tētahi o ngā tino tohu kua puta ake, i te taha o te pikinga atu o te pai o ngā kapa me te whāinga wāhi o te tangata, tae atu ki te rahi o ngā minenga, ko te putanga ake o ngā mākete me ngā tēpu hokohoko e kitea ana i te taha, i ēnei rā nunui.

I ia rohe, i ia rohe puta noa, e kite ana tātau i ngā umanga Māori e whakaata nei i ngā taonga hou, i te auahatanga me te whakahī o te iwi ki te ahurea. Mai i ngā toi me ngā mahi ā-ringa taketake ki ngā pūeru Māori o nāianei, mai i ngā kaihoko kai ki te hunga mahi rongoā Māori, ko ēnei kaikōkiri pakihi katoa kei te hanga umanga whai hua, i takea mai i te ātaahua o ā tātau taonga tuku iho. Hei haerenga ēnei mō te tangata ēnei mākete, mō ngā mea pai o roto. Kei ēnei rā nunui ka puta ngā whāinga wāhi mā ngā whānau ki te hua moni, ki te tūhono tika ki ngā kiritaki, ki te tiri i ngā hua me ngā ratonga whakaata i tō tātau tuakiri ahurei, hei Māori.

Ka kaha ake anō te pānga ina tirohia ō tātau ahurei kapa haka ā-motu o Te Matatini. Āe, i mōhiotia i mua hei whakataetae kapa haka ā-motu, koirā anake, hei whakakite i te tini o ā tātau taonga taketake ki te ao, engari kua tipu ināianei hei tūāpapa mō te hia rau umanga Māori ki te whakakite i te wairua kōkiri umanga o te ao Māori.

Hei whakaata tēnei tipunga i te pikinga ake o te ōhanga Māori. E ai ki ngā pūrongo o nakuanei ko te tāpaetanga o te ōhanga Māori kua piki ki te $32 piriona te tapeke wāriu hokonga o Aotearoa i 2023, me kī, kua tata te huarua mai i $17 piriona i 2018. Kua tipu te tūāpapa rawa Māori ki te $126 piriona, ā, kua tipu ngā kaikōkiri Māori me tana tipu hohoro tonu, ina hoki, kua piki te mahikuhu Māori mā te 49 ōrau, me te maha o ngā kaituku mahi Māori mā te 31 ōrau i roto i taua wā anō. Kua tae ināianei ki te 24,000 ngā umanga ko te Māori te rangatira puta noa i Aotearoa, e kawe mahi nei i ngā ahumahi mai i te mahi tāpoi ki te hanganga, ki ngā ratonga ngaio, ki te hangarau me te rāngai auaha.

Ko ngā mahi toi me ngā ahumahi auaha anake te puna o ētahi piriona tāra mō tō tātau ōhanga, me tā rātau tāpae mai i ngā whāinga wāhi mō te whiwhinga mahi mō te hia mano o ō tātau whānau. Ko tā te kapa haka he tāpae ki tēnei ōhanga ahurea whānui kē atu, me tana whakaatu mā te haumi ki ngā mahi ahurea ka hua ake he painga pāpori, ahurea, engari i tua atu, he hua ōhanga whai kiko anō hoki. I a tātau e titiro ana ki te āpōpō, e mōhio ana tātau ka hua ake i te kapa haka ētahi whāinga wāhi ōhanga nui, i te taha o te whakahoutanga ahurea.

Mai rā anō ko te kapa haka tētahi whakakitenga kaha o tō tātau noho hei whānau, hei hapū, hei iwi, hei hapori, hei Māori anō hoki. Ko tāna he whakakite i te tūturutanga o te reo, ngā tātai kōrero, ngā tikanga, te tuakiri, me te wāhi taketake a te Māori i Aotearoa nei.

I ēnei rā, e rere ana ōna pānga ki tua noa atu i te atamira. Kua tipu te kapa haka hei puna mō te tipunga ōhanga, mō te kōkiri umanga me te whanaketanga hapori, mō te hanga whāinga wāhi mō ngā wāhi, me tana tāpae i tētahi wāhanga nui o te oranga o Aotearoa.

E kore e mutu taku mihi ki te Poari o Te Matatini, ki tō tātau Manahautū me ngā kaitakatū, e waha nei i ngā kaupapa maha a Te Matatini. Ko runga koutou katoa

Kia tau te ia o te Mauri,

TĀ MĀTOU RAUTAKI

OUR STRATEGY

I te tau 2017, ka whakarewaina e mātou tā mātou mahere rautaki 10 tau, arā, Te Pītau Whakarei. Ka tākina i roto tā mātou whāinga kia tupu katoa te āhua o te rōpū, ehara i te mea e whakatū ana i tētahi ahurei ā-rua tau, kia tū hei rōpū hāpai i te hauora me te noho pai o te ao Māori mā roto i ngā mahi kapa haka.

I takea mai i te whakaahua o te tauihu o te waka, ā, nā tēnei āhua o Te Pītau Whakarei i hora mai tētahi whakaahua whakarite mō tā mātou whakatere i te ao kapa haka mā runga i te moana o ngā toi, o te ahurea me ngā taonga tuku iho. Nā te mahere nei mātou i kawe rā roto i ngā ngaru tūātea, kia tata ake ki te kitenga mō 2050: Mana Motuhake ki Te Kāinga. Matatū, Mataora, Matatini ki Te Ao.

Ko tētahi wāhanga nui o Te Pītau Whakarei ko tōna pounga i tētahi anga toiora Māori torowhānui, e whakatairanga nei i te āhua kōtui o ngā putanga ahurea, putanga pāpori, me ngā putanga ōhanga.

› te Tauira Whakawhanake Rohe

› ngā rangahau ki ngā hua me ngā pānga o te kapa haka.

E haere tahi ana ngā mea e rua, hei tautoko i te whakawhanake rohe, ā, i horaina hoki he taunakitanga mō te pikinga ake o ngā haumitanga ki ngā kapa haka, kia tautika hoki aua haumitanga.

Nā te Tauira Whakawhanake Rohe, kua whai rawa, kua whai pūmanawa ō mātou rohe 13 ki te whakatau take e tino pai ai te whanaketanga me te toitū o te kapa haka i roto i ō rātou hapori.

Nā ā mātou rangahau kua:

› kitea te nui o tā mātou tāpaetanga ki te ōhanga ā-motu

› whakaaturia ngā painga akoranga kua riro i ngā ākonga whai wāhi ki te kapa haka

› tāpaetia ngā huaputa hauora, toiora hoki

› whakapakaritia te māramatanga ki te wāhi ki te hononga ahurea mō te whakapiki i ngā huaputa pāpori mō te Māori.

Kua tino horapa te whāinga wāhi, o ngā pūmanawa, me ngā pānga o te kapa haka mai i te whakarewanga o Te Pītau Whakarei, me tana tāpae painga ki te toiora o te hia mano kaihaka me ō rātou whānau. Ko ōna tukunga iho tētahi wāhanga nui o te whakapapa o tō mātou whakahaere, ā, ka noho hei kahupapa pakari mō te wāhanga panuku o tā mātou hīkoi.

Hei te Oketopa 2026 ka whakarewaina e mātou Hawaiki Hou - tā mātou mahere rautaki 2026–2040, e waitohu nei i te ū ki te tārei i te anamata mō te kapa haka, ki tā mātou e tika ana.

I takea mai i Hawaiki Pāmamao, ā, hei whakahōnore tēnei i te pakari me te matakite o ō tātou tūpuna nā rātou i whakatere ngā moana waiwai, i piki ki runga i ngā ngaru tūātea, kia ora ai ngā whakatupuranga o muri nei. Hei whakamahara ā rātou haerenga i a tātou kia pakari tonu ngā kaihautū, kia mahi tahi te katoa, kia māia ki te toro haere ki tua rawa i te tahatū o te rangi. Hei punga ō rātou tukunga iho ki a tātou i a tātou e whakatere nei i roto i ngā whāinga wāhi me ngā pīkauranga o ō tātou nei rā.

I poua a Hawaiki Hou ki ngā mātāpono o te tino rangatiratanga me te mana motuhake, ā, ko tāna:

› he whakaū i tō tātou tika ki te tautohu i ngā ara ka whāia e mātou

Maimai aroha

He hau angiangi hauraro mātaratara
E wawara nei, e wawara nei.
Kei hea rā koutou e aku onge kahurangi?
Kua kore e rangona o koutou reo wainene,
a koutou kupu āki,
o koutou ringa mākohakoha.
Motu-rikiriki te aroha.
Ngau kino te mamae hārukiruki e.
Haere koutou ki te ripo ki whakatere,
ki whakangaro, ki whakaoti atu rā e.

It is a gentle wind blowing from the north
It murmurs, it murmurs asking
Where have you gone my cherished loved ones
Your sweet voices are no longer heard
Your advice is silent
Your generous hands are absent
We are torn by grief
The heaviest of pain.
Travel on to the whirlpool of the final Journey
To be out of sight, to the final Destination.

Hei whakamahara tēnei i a tātou ehara i te mea ka taka noa mai te hiranga i ngā kapua; engari ka āta hangaia nā te haumitanga ki te tangata, ki te ahurea me te hautūtanga.

Ka toro ō mātou haepapa ki tua noa atu i te taka tikanga mō te whakataetae whai ake; ko te haepapa kia waiho a Waitaha kia kaha ake, tēnā i tō mātou tīmatanga.

1. Statement of Accounting Policies

Reporting Entity

Te Matatini Society Incorporated (the "Society") is registered under the Incorporated Societies Act 1908.
These consolidated financial statements incorporate Te Matatini Incorporated Society (the controlling entity) and its subsidiary undertaking Aotearoa Kapa Haka Limited - together referred to as the 'Group'.

The Group is involved in the promotion of Kapa Haka for the benefit of Māori and tikanga Māori. The Group's primary objective is to provide these services for the social benefit of people and organisations and not for financial return to equity holders. For this reason it is designated as a Public Benefit Entity (PBE).

Basis of preparation

(a) Statement of compliance

The consolidated financial statements have been prepared in accordance with New Zealand Generally Accepted Accounting Practice ("NZ GAAP"). They comply with Public Benefit Entity International Public Sector Accounting Standards ("PBE IPSAS") and other applicable Financial Reporting Standards, as appropriate for Tier 2 not-for-profit public benefit entities, for which all reduced disclosure regime exemptions have been adopted.

The Group qualifies as a Tier 2 reporting entity as for the two most recent reporting periods it has had between $5m and $33m operating expenditure.

These consolidated financial statements were authorised for issue by the Executive Committee on 18 September 2026.

(b) Measurement Base

The consolidated financial statements have been prepared on a historical costs basis.

(c) Functional and presentation currency

The consolidated financial statements are presented in New Zealand dollars ($) which is the controlling entity's functional and Group's presentation currency, rounded to the nearest dollar ($'s).
There has been no change in the functional currency of the Group during the year.

Use of judgements and estimates

The preparation of the consolidated financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from those estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

(a) Judgements

Judgements made in applying accounting policies that have had the most significant effects on the amounts recognised in the consolidated financial statements include the classification of revenue as exchange or non-exchange.

(b) Assumptions and estimation uncertainties

Assumptions and estimation uncertainties applied in the consolidated financial statements include the following:
- Key assumptions underlying determining the recoverable amounts for impairment testing
- Useful life, recoverable amount, depreciation/amortisation method and rate
- Residual value of Mahau.

Significant Accounting Policies

The following particular accounting policies, which materially affect the measurement of financial performance and financial position, have been applied:

Basis of consolidation

i. Joint ventures

Joint ventures are those entities over whose activities the Group has joint control, established by a binding agreement and requiring unanimous consent for strategic financial and operating decisions.
Joint ventures that are not structured in a separate vehicle are classified as either jointly-controlled-operations or jointly controlled assets. The consolidated financial statements include the Group's share of assets, liabilities, expenses, and revenues from the jointly-controlled-operation or jointly controlled asset on a line-by-line basis.

ii. Transactions eliminated on consolidation

Intra-group balances and transactions, and any unrealised income and expenses arising from intra-group transactions, are eliminated in preparing the consolidated financial statements.

Unrealised gains arising from transactions with equity accounted associates and jointly-controlled-entities are eliminated against the investment to the extent of the Group's interest in the investee.

Unrealised losses are eliminated in the same way as unrealised gains, but only to the extent that there is no evidence of impairment.

Changes in Accounting Policies

There were no changes in accounting policies during the year

Subsidiary and jointly controlled asset

Aotearoa Kapa Haka Limited is a 100% owned subsidiary (production company) of the Society. The company was incorporated on 7 May 2004.

An agreement with New Zealand Māori Arts & Crafts Incorporated gives Te Matatini joint ownership of the Mahau asset. The agreement also provides for the sharing of cost and revenue on a 50:50 basis.

Revenue

The Group derives income through the provision of outputs for the Crown through the Ministry of Culture and Heritage for services to third parties, and income from its investments. Such income is recognised when earned and is reported in the financial period to which it relates.

Revenue is recognised when the amount of revenue can be measured reliably and it is probable that economic benefits will flow to the Group, and measured at the fair value of consideration received or receivable.

The following specific recognition criteria in relation to the Group's revenue streams must also be met before revenue is recognised.

i. Revenue from exchange services

Provision of services

Revenue from services rendered is recognised in surplus or deficit when the service is rendered.

Amounts received in advance for services to be provided in future periods are recognised as a liability until such time as the service is provided.

ii. Revenue from non-exchange transactions

Non-exchange transactions are those where the Group receives an inflow of resources (i.e. cash and other tangible or intangible items) but provides no (or nominal) direct consideration in return.

Grants are recognised as revenue when the conditions associated with the grants have been fulfilled.

With the exception of services-in-kind, inflows of resources from non-exchange transactions are only recognised as assets where both:

• It is probable that the associated future economic benefit or service potential will flow to the entity, and

• Fair value is reliably measurable.

Volunteer services received are not recognised as the fair value of the services are not able to be reliably measured.

Liabilities are recognised in relation to inflows of resources from non-exchange transactions when there is a resulting present obligation as a result of the non-exchange transactions, where both:

• It is probable that an outflow of resources embodying future economic benefit or service potential will be required to settle the obligation, and

• The amount of the obligation can be reliably estimated.

Employee benefits

Short-term employee benefits

Short-term employee benefit liabilities are recognised when the Group has a legal or constructive obligation to remunerate employees for services provided within 12 months of reporting date, and is measured on an undiscounted basis and expensed in the period in which employment services are provided.

Mō te Tau i Mutu i te 30 Hune 2026

Financial instruments

(a) Recognition and initial measurement

Trade receivables are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Group becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus transaction costs that are directly attributable to its acquisition or issue. At initial recognition, an entity may measure short-term receivables and payables at the original invoice amount if the effect of discounting is immaterial.

The Society derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Group neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

(b) Classification and subsequent measurement

Financial assets

On initial recognition, all of the Groups's financial assets are classified and measured at amortised cost.

A financial asset is measured at amortised cost if it meets both of the following conditions:

• it is held within a management model whose objective is to hold assets to collect contractual cash flows; and

• its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in surplus or deficit. Any gain or loss on derecognition is recognised in surplus or deficit.

Cash and cash equivalents represent highly liquid investments that are readily convertible into a known amount of cash with an insignificant risk of changes in value, with maturities of 3 months or less.

Financial liabilities

All of the Group's financial liabilities are classified and measured at amortised cost.

Financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in surplus or deficit. Any gain or loss on derecognition is also recognised in surplus of deficit.

(c) Impairment of financial assets

The Group recognises loss allowances for expected credit losses (ECLs) on financial assets measured at amortised cost.

The Group measures loss allowances at an amount equal to lifetime ECLs, except for the following, which are measured at 12-month ECLs:

• bank balances for which credit risk (i.e., the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

Loss allowances for trade receivables are always measured at an amount equal to lifetime ECLs. When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECLs, the Group considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Group's historical experience and informed credit assessment and including forward-looking information.

The Group assumes that the credit risk on a financial asset has increased significantly if it is more than 30 days past due.

The Group considers a financial asset to be in default when the financial asset is more than 90 days past due.
ECLs are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e., the difference between the cash flows due to the entity in accordance with the contract and the cash flows that the Group expects to receive). ECLs are discounted at the effective interest rate of the financial asset.

Leases

Classification and treatment

Leases in terms of which the Group assumes substantially all the risks and rewards of ownership are classified as finance leases. The Group currently has no finance leases.

Operating leases

Leases that are not finance leases are classified as operating leases.

Operating leases are not recognised in the Group's statement of financial position. Payments made under operating leases are recognised in surplus or deficit on a straight-line basis over the term of the lease. Lease incentives received are recognised as an integral part of the total lease expense, over the term of the lease.

Statement of Cash Flows

Operating activities include amounts received from provision of services, investment income and other income sources and payments to employees and suppliers to manage the day-to-day operations of the Group.
Investing activities are those related to the purchase and disposal of investments and property, plant and equipment and intangibles.
Financing activities comprise loans and borrowings.

Goods and Services Tax (GST)

All items in the financial statements are exclusive of GST, with the exception of Sundry Receivables and Accounts Payables which are inclusive of GST.

Income Tax

The Society is registered as a charity under the Charities Services and as such is exempt from the payment of Income Tax.

The Society has taken legal advice that Aotearoa Kapa Haka Limited will also be regarded as a non taxable charitable entity as it operates solely in furtherance of the Society's objectives.

Property, Plant and Equipment

Property, Plant and equipment are recorded at cost less accumulated depreciation.
Depreciation or amortisation is provided on a diminishing value basis on all items at the following rates:

Office Equipment	10% - 33%	DV
Computer Equipment	40% - 48%	DV
Computer Website	40% - 48%	DV
Leasehold Improvements	10%	DV
Mahau	Nil	

The cost of Mahau is 50% of its construction price to the other joint venturer, being the cost of labour and materials. Mahau is not depreciated as its residual value is considered to exceed its cost.
Purchased software that is integral to the functionality of the related equipment is capitalised as part of that equipment.
