Kapa Haka Survey

Tēnā koutou ngā Kapa Haka o te motu. As we approach the end of the year, Te Matatini would like your feedback on the content that you would like to see in the 2022 pānui.

We would appreciate it if Kapa Haka enthusiasts can take part in our survey below so please distribute it to your networks far and wide. It should take no longer than 5 minutes to complete.

Waatea News

Dr Rawiri Taonui, (Ngāpuhi) is a Covid-19 Analyst and a trusted source of information for Te Matatini. He meticulously followed and analysed the COVID outbreak and its impact on Māori since COVID's first outbreak in 2020. You can find his daily analysis of the impacts of COVID on Māori, on the Waatea News website.

In his latest article, Dr Rawiri Taonui says, "One challenge in tracking and encouraging vaccination and challenging the government vaccination rollout is the uncritical reproduction of Ministry of Health figures on Māori news outlets and different software platforms. The reproduction of these figures is misleading our people in a way that sanitises government strategies that compromise te iwi Māori."
