Matatini - APATA Performing Arts Student of the Year 2022

An important part of the work that Te Matatini does is celebrating the successes of our rangatahi Māori and their achievements. Earlier in May of this year, Te Matatini was approached by The Australian Performing Arts Teachers Association [APATA], to inform Te Matatini of an outstanding young Māori girl, by the name of Leilani Collins, who attends Bellbird Park State School in Ipswich, Brisbane, Australia, and that she has been recognised for her outstanding contribution to performing arts within her school, her family and the community of Ipswich. Leilani is a proud young Māori woman, who has whakapapa connections to Ngā Puhī. Te Manahautū of Te Matatini, Carl Ross and the team at the National Office sent a short message acknowledging Leilani, as the winning recipient of the Australian national award - Performing Arts Student of the Year 2022. You can read more and watch the video of Leilani's award presentation [here](#) and follow [@apatamedia](#) on Instagram for more info.
